

FABRIC SUPPORTED • LIGHT WEIGHT • NITRILE GLOVES ON INTERLOCK LINER WITH KNITWRIST / SAFETY CUFF

Features & Benefits

- Special nitrile coating to combine protection with dexterity
- Excellent abrasion resistance
- Fully coated for extra protection or open (uncoated) back for ventilation
- Cotton interlock liner absorbs perspiration and adds to comfort
- Two piece liner without seams in the working area eliminates hand irritation
- Knitwrist prevents entry of debris
- Safety cuff allows quick-on/quick-off and protects wrist area
- Durable and washable

Applications

Assembly of Parts & Components
 General Maintenance Work
 Light Metal Fabrication
 Shipping Industry
 Warehousing

Special Options

- Bacteriostatic & Fungicidal Additives (Sanitized)
- Extra protection with pre-assembled reinforced thumb crotch (BLKVT)

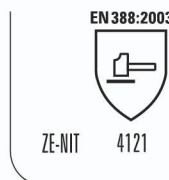

NAME	PRODUCT CODE	COATING	SIZES	LENGTH (MM)	THICKNESS (MM)	COLOURS
ZE-NIT	81KHT/AI	HALF	7, 8, 9, 10, 11	240 (7), 250 (8), 260 (9), 270 (10), 270 (11)	0.90	YELLOW, BLUE
ZE-NIT	81KFT/AI	FULL	8, 9, 10, 11	240 (7), 250 (8), 260 (9), 270 (10), 270 (11)	0.90	YELLOW, BLUE
ZE-NIT (CAT I)	81SHT/AI	HALF	8, 9, 10, 11	260 (8), 270 (9), 280 (10)	0.90	BLUE
ZE-NIT	81SFT/AI	FULL	8, 9, 10, 11	260 (8), 270 (9), 280 (10)	0.90	BLUE

THICKNESS: SINGLE FILM AT BACK OF PALM / DUE TO THE NATURE OF THE PRODUCT THE LENGTHS GIVEN ABOVE ARE AVERAGE VALUES
